SELLING: 60 Yearlings & 17 Fall Bulls/Coming Two's

2023 Dethlefs/Treffer Production Sale

Welcome to our 55th Annual Production Sale!

The bulls we are offering this year look extremely good considering the drought we faced in 2022. Our herd has been bred to withstand adverse conditions and are not pampered but are treated much the same as any commercial herd. You can feel confident that they will work for you. We use a strong AI and embryo program that selects the top bloodlines for calving ease and performance. We strive for thick-made, easy-fleshing beef cattle. There is a good selection of different strengths in this offering that will fit your specific needs.

We want to thank our repeat customers for the support they have shown us through all these years and look forward to be working with the new ones. Please join us on March 23 at Burwell where you will get more for your bull-buying dollar!

Dethlefs Angus Ranch

C1 Cattle was born when I bought my first registered Angus bull in 2006 from Ostrand Angus and bought the brand C1 from my Grandpa Darrell Nelson. Ever since I have been working hard to produce high-quality Angus cattle with great genetic potential. This past June I got to marry my right hand lady, Emily Dethlefs, which meant we added Dethlefs Angus genetics to the C1 Cattle herd. In this coming May, we are excited to be adding a little ranch hand to our family.

We are blessed to have this opportunity to consign eight bulls to the sale this year. We chose these bulls for their combination of phenotype, carcass and maternal traits and have done our best to balance those for you. Our bulls have been finishing at the Darr Feedlot alongside the Dethlefs and Treffers and have performed extremely well the past few months. Emily & I are looking forward to continuing to strive to carry the traditions of Dethlefs Angus Ranch and hope to see you in Burwell!

C1 Cattle - Ben & Emily (Dethlefs) Johnson

Welcome to the Sale!

Without a doubt we couldn't do this without you, our many repeat buyers and the new customers and friends we add each year. Our family greatly appreciates those who have put their trust in our program. Your interest in our genetics keeps us working to breed Angus that function in this environment and can bring value to a variety of cow-calf operations.

Last year, I was bragging about saving ears on the synchronized calves that came during last year's February artic blast. When you look at the bulls, you'll note that we weren't 100% successful. We kept the same synchronization dates this year but we did order nicer weather for mid to late February. We'll see how that works out!

Once again, we look forward to seeing you at the sale or having you bid online. Feel free to call if you have questions or need help finding the right bull. Prior to the Tuesday before sale day, you are welcome to view the bulls at the Darr Bull Test between Lexington and Cozad. Thanks for considering our bulls!

Treffer Angus Ranch

Dethlefs/Treffer Bull Sale 2023

Thursday, March 23, 2023 | 1:00 pm
Burwell Livestock Market | Burwell, NE

The Burwell Livestock Market is located at 401 11th Avenue, Burwell, NE 68823

Auctioneer: Matt Lowery, Burwell, NE | (308) 750-6119

Publication Representatives:

Levi Landers | American Angus Association (308) 730-1396

Chris Beutler | Cattle Business Weekly (402) 380-8244

Cody Nye | Midwest Messenger (308) 760-8588

SALE DAY PHONE: (308) 346-4257

BUYERS UNABLE TO ATTEND THE SALE MAY SUBMIT
THEIR BIDS TO THE AUCTIONEER, REPRESENTATIVES OR
BID ON LiveAuctions.tv.

Terms and Conditions:

Cattle will sell under the Standard Terms and Conditions recommended by the American Angus Association. The terms of the sale are cash. All settlements must be made at the close of the auction. Any disputes as to bids shall be settled by the auctioneer, whose decision shall be final and shall bind purchases to the announcement of the sale and sale price.

Special care has been taken to insure the accuracy in the matter of pedigrees and information included in this catalog, but we are not to be held responsible for any error which may appear and is beyond our control. Corrections that may be discovered prior to the sale will be announced at the time of selling.

Guarantees:

All bulls selling for **over \$2500** are guaranteed against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turn-out of the bulls. Please notify us at onset of injury to discuss treatment options.

Notification must be received by the breeder by September 1, 2023. Credit for the amount of purchase price minus \$2500 will be applied toward a replacement bull if one is available or applied to a purchase in next year's sale. The buyer keeps salvage value on the injured bull.

COMPLIMENTARY LUNCH SALE DAY

SELLING

60 Yearling Bulls
17 Fall & Coming
Two-Year Olds

Herd Health:

All cattle were vaccinated with two doses of modified live vaccine including IBR, PI3, BRSV, BVD and Pasteurella, as well as, a Clostridial 7-Way/ Haemophilus vaccination. They were poured in the fall with Ivermectin for internal and external parasites. Out-of-state buyers will be furnished with necessary health papers.

Herd Testing:

All the bulls are guaranteed free of genetic defects which include AM, NH, CA, DD or free by pedigree.

Semen Testing:

All bulls in the sale have passed a strict breeding soundness exam consisting of semen evaluation for motility, morphology, concentration and presence of WBC's. They were also checked to be free of penile warts or persistent frenulum.

Volume Discount:

Discounts will be offered at 3% for three bulls, 4% for four bulls and 5% for five or more bulls.

Free Delivery:

Bulls will be delivered free of charge in Nebraska or if you haul sale day, \$50 will be deducted per bull.

Nutrition:

The yearling bulls have been housed at the bull development center of Darr Feedlots, Inc. They have been fed a high roughage diet to test their performance ability without sacrificing their soundness, longevity or future use.

Moderate-framed, powerfully constructed bull. He is out of a great producing dam but had a rough start in life. His dam died shortly after birth and he was grafted on a heifer that didn't milk well.

Pacific Coast is a standout herd sire prospect that is big and stout. He is deep-ribbed with tremendous thickness over his top and hind quarter. He gained 4.6 lbs/day and was our second top yearling weight bull. Retaining 1/3 semen interest.

+5	+9	+87	+158	+28

Calving ease herd sire prospect. Lots of performance on this one, gaining over 5 lbs a day on test and weighing over 1400 pounds at a year. He is long-bodied and has plenty of thickness. Top of the breed EPD's and values, a good disposition and lots of eye appeal. Retaining 1/3 semen interest.

Recommended for larger frame heifers or cows. This bull has continued to get better all winter long. He is long-spined, smooth-shouldered and really thick made. Great EPD's and excellent disposition. Out of a Consensus x 878 bred dam.

Here is our youngest bull in the sale but that didn't affect his power or performance. He is deep, thick and has a great spread from birth to yearling on EPD's. His dam is one of the best producing cows in the whole herd.

Moderate-framed, stout-made son of Cade. He is high-volumed, thick and is out of a great first-calf heifer from the Beauty cow family.

Falls + Coming Two-Year Olds

The late Spring and Fall bulls have been running on pasture since weaning. They have been on a light growing ration and are not carrying extra condition. Most of the bulls are sired by Woodhill Reliance E33 that was the second top-selling bull at the 2018 Woodhill Farms sale in Wisconsin. This is the last group of bulls sold out of this great son of Connealy Confidence Plus.

Stylish, well-balanced bull out of a 14-year-old cow that keeps producing good ones. She has only had two heifer calves and I am waiting to get another one because she is a daughter of a third generation donor cow from my Juandaler cow family.

Here is a sleep-all-night calving ease bull. He is extremely stylish being clean-fronted, long-sided with excellent thickness.

Kacey Dethlefs - 2023 NE Angus Queen

In December at the 2022 Nebraska Angus Banquet, Kacey Dethlefs was awarded with the 2023 Nebraska Angus Queen honors. Over the course of the year, Kacey will travel at the local state and national level representing the Angus breed. She plans to attend bull sales across the state, NCC The Classic, the Angus show at the Nebraska State Fair, Husker Harvest Days, National Junior Angus Show (held in Nebraska this year) and more! Kacey also hopes to bring Agricultural Literacy lessons into elementary schools, teaching students about beef. Travelling alongside Kacey will be Nebraska Angus Association's first Nebraska Angus Princess, Briana Brown. Kacey is the third Dethlefs to hold title honors for the Nebraska Angus Association. Aunt Pam Dethlefs was once the Angus Princess before it became a Queen title. Kacey's older sister, Aliesha (Dethlefs) Meusch was Nebraska Angus Queen in 2012-2013. We wish Kacey the best as she works to advocate for the Angus breed. Reach out to her if you would like her at your Angus event!
